Zoom tips and tricks:

Parents, we will lean on you to learn all the features of Zoom on your device for the future – but for now, we will go through a quick tour of the buttons or features we will be using today. Unless you're super tech savvy – maybe you'll be teaching mom & dad! *wink*

- End button
- Mute button
- Stop video
- More (raise hand)
- Thumbs up
- Chat function – not really using
